NATIONAL BUREAU OF STANDARDS, Richard W. Roberts, Director

"Fire Research Publications, 1973" is a supplement to the previous edition which covered the years 1969-1972 (NBSIR 73-246). Only publications prepared by members of the Programmatic Center for Fire Research (PCFR), by National Bureau of Standards (NBS) personnel under contract or grant to the PCFR, or by NBS personnel or external laboratories under contract or grant from the PCFR are cited. Articles published in NBS house organs also are cited.

For documents that are available for purchase from either the Government Printing Office (GPO) or the National Technical Information Service (NTIS), the specific order number and paper copy price have been included in the citation.

GPO documents are obtained by writing directly to the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402. Indicate the SD Catalog No. for each document requested. Orders must be prepaid. Remittance should be made either by coupons (obtainable from the Superintendent of Documents in sets of 20 for $1.00 and good until used) or by check or money order payable to the "Superintendent of Documents, U.S. Government Printing Office".

NTIS documents are obtained by writing directly to the National Technical Information Service, U.S. Department of Commerce, Springfield, Va. 22151. Indicate the NTIS Order No. for each document requested. Microfiche copies of documents are also available at a cost of $1.45 for domestic orders and $2.95 for foreign orders. Orders must be prepaid by check or money order payable to "National Technical Information Service" or by utilizing an NTIS Form with your deposit account number.
